Subject: DC-26-1629 - Oaken Brick, Threals Lane, West Chiltington

Hi Steve,

The Trees team were consulted on the above application for a proposed new outbuilding with indoor swimming pool and changing facility.

The applicant has stated that there are no trees adjoining/in close proximity. In fact the development appears to be being built very close to trees that are subject of the Tree Preservation Order (Ref: TPO/0556) that affects the entire property and the land to the rear.

Please request a tree survey and AIA, as appropriate, to identify the trees present and those that could be either directly or indirectly impacted upon by the proposal.

Thanks and regards

Andy
