Comments: Thank you for inviting me to comment on the proposed replacement, re-siting & enlargement of Owl Lodge, which is my immediate adjacent neighbour on my northern boundary. I think it's a fantastic scheme, and support it wholeheartedly. It conveys how all new dwellings should be built, using the latest technology to achieve highly efficient sustainable homes. I consider the plot to be an infill site and should be deemed a

windfall opportunity to contribute towards the local housing shortage whilst assisting the country's economy.

Kind regards
