Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Other
Comments:	I live around the corner from this property I am from the traveller community. There is a massive shortage of stopping places in the area for gypsy and travellers the waiting lists for council sites are ridiculously long with some families on the list for several years and a plot still not coming available I think this is a perfect site as it already has permission for caravans for many years and it can be used to fill a great need for many families that have no where to go I understand that it has a condition

Kind regards
