CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	1 Fordingbridge Close, Horsham
PROPOSAL:	Surgery to 1x Cherry and Fell 1x Cherry
REFERENCE:	DC/24/0599
RECOMMENDATION:	No Objection

SUMMARY OF COMMENTS & RECOMMENDATION: Horsham Denne Neighbourhood Council has no objection (See Main Comments).

MAIN COMMENTS:

Horsham Denne NC Tree Warden, Andrew Dickinson, has visited the site and his report is as follows:

The Cherry tree, in the rear garden, which needs surgery requires a further crown height reduction, with the maximum height to the previous pruning point cuts. A total reduction of 1.5m is required.

The Wild Cherry tree at the front of the property is in decline. It has 20% of foliage cover this season. It has been in decline for the last two years. It is a small tree which can be section felled, due to the amount of dead wood present. As the tree has self-seeded there should be no issue with it being cut down and it will ensure the area is hazard free to the occupants and general public.

Therefore HDNC has no objection to this application.
