Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Henfield Road is already extremely busy both with through traffic and residents parking. The current 30mph speed limit isn't enforced and cars frequently speed through the village especially from the Upper Beeding end. It's an accident waiting to happen and more cars will only make this so much worse

Kind regards
