Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This is down an already overcrowded road, no capacity for 28+ residents. There are a number of animals that this would disrupt along with lack of amenities n the village that will not be able to support these houses. The village is already overdeveloped and

this will cause more issues to the residents already struggling with the volumes of traffic
