WATER NEUTRALITY STATEMENT

Agent: DOWNSVIEW Associates

Project: Proposed demolition of external store/ WC and shed and erection of first floor extension to the rear with external staircase.

Client: Matt West

Address 42 High Street, Storrington, West Sussex, RH20 4DU

Ref: 2023.380

Water Neutrality Statement

The existing workshop and showroom is being extended by adding a small first floor addition to allow more space for the owner of the business to work and to store antique furniture. There is no intention to increase the number of staff members or customers etc and the existing kitchenette and bathroom facilities will remain as existing.

With this in mind there will be no increase in water consumption with regards to the new proposal.
