Proposal: Approval of Details pursuant to condition 7 attached to DC/19/2573 – Community Use Agreement
Sport England Reference: PA/25/SE/HO/70055

Thank you for reconsulting Sport England in respect of the amended draft Community Use Agreement.

Sport England previously objected to the draft CUA on the basis,

1. That no change or even toilet facilities are to be provided
2. The proposed cost between £40 and £60 per hour benchmarked against Tandridge and Bohunt Schools. Sport England required clarification that this cost is comparable given the lack of facilities.

The amended draft confirms no toilet provision and Sport England maintains its objection on that basis.

Clarification is also still required as to whether the benchmark facilities at Tandridge and Bohunt Schools are similarly poorly serviced to understand if this is a reasonable cost, recognising that a cost of £50 has now been inserted.

Sport England maintains its objection to the proposed Community Use Agreement as it is currently drafted.

If you have any queries, please contact the undersigned.

Yours sincerely,
