Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Overdevelopment- Privacy Light and Noise- Trees and Landscaping
Comments:	We are losing more and more of our countryside. As a resident of Small Dole I object to this, for the disturbance to countryside and also that there is already a huge industrial estate with large vehicles coming in and out. We have cars speeding through the village, this will add more traffic and congestions and potential accidents. We have flooding and potholes on the road every year,

with little help from the council, adding more is not welcome. We firmly object to this.

Kind regards
