Reasons for comment:	<ul style="list-style-type: none"><li>- Design</li><li>- Highway Access and Parking</li><li>- Loss of General Amenity</li><li>- Overdevelopment</li><li>- Privacy Light and Noise</li><li>- Trees and Landscaping</li></ul>
Comments:	I totally object to this proposal, this space is a safe haven for wildlife in the area, it's a habitat for deer, foxes, barn owls, bats, and so much more. The road is already ridiculously busy with the mackleys site

opposite with a constant flow of traffic and heavy loaded vehicles it would not be safe.
