Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I strongly support this application because good practice nets are key to improving the quality of playing for all ages. The Nuthurst Cricket Club have done a fantastic job in encouraging young people to come out and play cricket. Being able to train in properly installed nets will help all players to develop their bowling and batting skills and both kids and adults can practice safely.

Kind regards
