Horsham Denne Neighbourhood Council
CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	St Mary's Church, Causeway, Horsham
PROPOSAL:	Surgery to 1x Nothofagus spp (Southern beech). (Works to Trees in Conservation Area).
REFERENCE:	CA/24/0003
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: No objection (see main comments)	
MAIN COMMENTS: Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows: This is a mature specimen tree that has been growing with an acute lean towards the neighbouring property. The over-hanging crown facing this garden can be reduced by 30%, but this will not correct the position of the tree. The North East facing crown area is causing the greater over-hang of this property. If too much of this crown area is removed the health of the tree will suffer, so only minimal growth should be removed at this time. The shape of the crown should be taken into consideration as much as possible to preserve this fine specimen tree. Therefore, HDNC has no objection to this application.	
ANY RECOMMENDED CONDITIONS: As above
