Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	Saville gardens is a small, private road with minimal parking for residents. Any increase in residence will only add to the, already difficult availability of spaces, with surrounding roads full as well. My understanding is that this extension will then lead to a possible application for a 6 unit HMO which is not fit for such a small road with a very consistent house design and minimal space for the added vehicles that would come with that.

Kind regards
