Subject: RE: DISC/24/0218 Hilltop Country Park

Dear Robert

I have now heard from my clients that they will use the 1000 L Industrial Rainwater Jet Wash Suppression Unit with regard to dust suppression

Please feel free to let me, or my clients, know if you require any further information.

Many thanks

Rachel

Good morning both

We are currently in the process of finalising the details of the above referenced discharge of condition. The condition request details of the provision of wheel washing facilities (detailed) *and* dust suppression- however, nothing for the latter has been provided.

In order for us to discharge the condition, I would be grateful if you could provide details of the proposed dust suppression methods that would be used on site during

Robert Hermitage

Principal Planning Officer
