Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Rudgwick Preservation Society have already raised our objections for the previous application DC/25/0440 not yet determined We have looked at this new application and object to the plans. The barn is in an unsustainable location for conversion to two family hones. It is 2 miles from the only facilities in Rowhook namely The Chequers Inn and further still from shops, schools or access to public transport making complete dependence on the use of private motor cars for daily life.

We support the view of the Rudgwick Parish Council who to continue to raise concerns on water neutrality and habitats.

Kind regards
