Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	The rear wall of my property forms part of the boundary of the proposed parking area. My concern is planned future access to this wall for maintenance, guttering and drain clearance. Access therefore needs to be agreed. The application states that there are no listed buildings in the vicinity, however White Line House, a listed property, is adjacent to the proposed building in Farren Court. Also as this is a Conservation Area, is this an appropriate development?

Kind regards
