Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Loss of General Amenity- Overdevelopment- Privacy Light and Noise- Trees and Landscaping
Comments:	<p>I am a local resident near to where the proposed planning is. My main concern for objecting to the site is that [REDACTED] the construction of this house will take away valuable green space for children to play. Further to this, there will be a significant increase in heavy machinery and building work which will greatly increase the noise pollution in the area.</p>

Kind regards
