Subject: RE: Section 106 Agreement - Land North of Melton Drive, Storrington, West Sussex DC/26/1168

Dear all,

I have been speaking to Nigel Bird, Project Support Officer – Active Travel as I am aware they have looked at this Footpath but remain at the early stages. A figure was previously estimated at **£28,000 to resurface Footpath 2649 at a distance of 400m**. This includes some complexities such as he need for no dig construction in places due to the adjacent trees. As their project has yet to achieve funding, this would be an opportunity to secure funds now and enable improvements to move forward, Nigel tells me they have wider plans to improve the area and this could allow more of such works to be achieved in the future.

Kind regards,

Darryl
