Comments:	<p>I wish to object to this application for the following reasons; It infringes on land owned by Forest Grange Private Road Limited. The applicant has misstated the boundaries of land owned. The surface water drainage would be inadequate and foul water drainage is not included in this proposal.</p> <p>Additionally, the applicant has no legal right of access up the lane to the site for residential or commercial purposes; only for</p>

agricultural and grazing purposes.

Lastly, this development would cause harm to the High Weald National Landscape.
