Good morning Sam
Thankyou for returning my call on Friday.
My address is 40 The Boulevard
As discussed I did not receive notification for the above application so I am sending my objection now.
I object to this planning application, as I feel it will cause a loss of privacy, the dormer windows will look directly down on my living area.
The appearance will be out of character with the surrounding properties.
There are also restrictive covenants on the Berkeley Development .
Please can you take my comments into consideration when making your decision

Kindest regards
