| **PROPOSAL:** | Surgery to trees (Works to Trees in a Conservation Area) |
| **REFERENCE:** | DC/24/1258 |
| **RECOMMENDATION:** | No objection |
| **SUMMARY OF COMMENTS & RECOMMENDATION:** Horsham Denne NC has no objection (see main comments) | |
| **MAIN COMMENTS:**<br><br>Horsham Denne Neighbourhood Council Tree Warden, Andrew Dickinson, has visited the site and his report is as follows:<br><br>This application is for reduction work on a small group of mixed trees. Due to the trees' proximity next to a private driveway, they have become too large for the area they occupy.<br>All the trees can be reduced by 1.5m in height, and all the lateral side growth removed to allow vehicles to pass without obstruction.<br>Upon completion, all debris can be removed, and the trees will be left in a well balanced shape.<br><br>Therefore, HDNC has no objection to this application. | |
