Dear Planning Officer

Following the Parish Council Meeting on 24th June 2024, this is to confirm that Itchingfield Parish Council would like to make the following representations to be put before HDC Planning Committee (North).

DC/23/2309 – Westons Farmhouse, Westons Hil Christ's Hospital – Amended application for the conversion of annex to independent welling. Current usage is said to be a conversion to an agricultural dwelling.
Itchingfield Parish Council recommends this planning application for approval as long as the annex remains tied to Westons Farm Limited.

Kind regards

Chairman to Itchingfield Parish Council
