Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment
Comments:	As has been stated previously Lock Lane is a bridleway continually used by the village community and walkers and cyclists from afar, The increase in traffic is inevitable with this development.The Lock estate is a working farm with tractors and farm machinery using

Lock Lane, with few inadequate passings.
I agree with all other statements regarding the distance of this development from the village and its amenities.

Kind regards
