Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	Access to develop this site is a private parking area. I'm sure all residents will refuse access because of possible damage to vehicles and the car park, it's self. Also the inconvenience of trucks and lorries blocking in, residents cars. The site has already been over developed with the original five house's built.

Kind regards
