Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This house is going to be large! I have seen building work ongoing for several months now and thought it was just a renovation. Actually it's going to be about twice the size, blocking the skyline of people both sides of the river. I haven't seen any of the usual signs on lampposts or notice boards bringing attention to the construction of what is proposed.

Kind regards
