Emma Parkes
Head of Development

Comments

We note the additional details provided by the Agent and make the following comments:

- The outline fire strategy for Red House, drawing No 242769-PUR-00-ZZ-DR-A-6001 has not included active fire precautions that will be installed. Can the agent provide information on the fire alarm system to be installed and the coverage within the building to demonstrate the consideration that has been made to the mix use of the building

Should you wish to discuss this matter further please do not hesitate to contact me.
