Horsham Denne Neighbourhood Council
CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	99 Longfield Road, Horsham
PROPOSAL:	Surgery to 1x Oak
REFERENCE:	DC/25/0578
RECOMMENDATION:	No objection

SUMMARY OF COMMENTS & RECOMMENDATION: No objection (See main comments)

MAIN COMMENTS:

Horsham Denne NC Tree Warden, Andrew Dickinson, has visited the site and his report is as follows:

The Oak tree is a mature tree that has had previous reduction work carried out to the entire crown. The crown of this tree is encroaching into the building's roof space and it has become to large for the space it occupies.

The crown area could be reduced to the old cut points, making sure that fresh cuts are made to a healthy union join, including the whole crown area.

The tree has a healthy growth of old stem Ivy. This could severed when the reduction work is being carried out which will reduce the impact on new growth.

This work should leave the tree in a more manageable state and a well-balanced shape.

Therefore HDNC has **no objection** to this application.
