Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This property has had major refurbishment recently which caused major disruption to our small road, with up to 13 trade vans per day. Any further work at this residential property is an over development of this home. I have heard that the structure will be used for a Pilates studio which I believe is against a covenant in the deeds

Kind regards
