To: Horsham District Council
FAO: Sam Nye
From: WSCC - Highways Authority

Date: 28 October 2026

LPA Reference: DC/26/1256

Location: 14 Trafalgar Road
Horsham
RH12 2QB
Proposal: Change of Use from commercial (Class E) to 2-bedroom dwellinghouse (with retention of ground floor frontage commercial unit).

Date of Site Visit: N/A
Recommendation: Advice

The Local Highways Authority was previously consulted on this application, and a response was issued on 16/09/2026. The applicant has submitted a revised plan showing an increase in the red boundary edge of the site, which contains now three shed buildings. This does not materially change the comments issued previously by the LHA relating to this proposal.
The inclusion of the sheds to the rear, may assist in positioning the previously advised Secure and Covered cycle parking provisions, however.

For full highways comments relating to this proposal, please refer to the previous response issued, 16/09/2026.
