Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design - Other - Privacy Light and Noise
Comments:	I have no objection to the erection of an Agricultural building for the sole use of storing agricultural / viticultural equipment providing: a/ the roof & building to be of a dark green colour so as to blend in with the trees and hedges.

The colour on the application is open to interpretation - Merlin Grey - when Googled ranges from a light grey to dark green

b/ there are no external lights to avoid any light pollution.

c/ traffic movements are not increased.

The building can be seen from the public footpath - the application says it cannot.

Kind regards
