Customer Details

Address:	18 Howard Place Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other - Overdevelopment - Privacy Light and Noise
Comments:	Due process has not been followed as none of the neighbours which the property overlooks at the rear has been consulted. By adding the Dorma to the rear of the property will further invade the privacy of neighbours as the gardens are relatively small. The dorma extension will also add to the already condensed buildings which appears on all new housing developments. This might also

set a precedent to allow these conversations to other home owners looking to do the same.

Kind regards
