Dear Joshua,

Thank you for your emails. We are happy to agree to the provisional committee date of 4th March and the extension of time as you have proposed for the final decision. However Sarah is not able to agree to any additional time beyond 13th March due to the difficulties she is currently facing with needing to work from home due to her daughter's non attendance at school.

Regarding usage, Sarah estimates that the studio will be used between Monday and Friday from 2-5 hours per day. The studio will accommodate between 2 and 4 people at any one time, though she thinks it will mainly be used for 1:1 sessions or 2:1 sessions. Parking would be on their driveway, maybe with one person occupying a parking space on the street from time to time.

Clearly this is just a guide which Sarah has given according to her genuine estimation of its use. As it's a space for machine Pilates work she says that there won't be space for more than 4 clients.

Many thanks Joshua,

Anna

Good morning Anna,

Additional information is required for your client's application at 18 Croft Way before we can proceed to committee. Could you please tell me approximately **how many people per day would visit the property** for classes, and **what times of day the classes would be** held?

Once we have the above information we can then proceed to committee stage, which would most likely take place on Tuesday the 4th of March 2025. Could you please agree to an Extension of Time to Thursday the 13th of March 2025 to allow sufficient time to make a final decision?

I look forward to hearing from you.

Kind regards,

Joshu Lee
