Information being requested – Please answer the following questions as fully as you can. Any information you can provide is important. Thank you.

1. Do you know the site and if so from about what date and how? e.g. because you are a neighbour or have been there or seen activity etc.	I am a neighbour
2. Do you know who operates from the site or lives there? If so who?	Nobody lives at the property, the owners visit every few months, stay a few days then leave again
3. Are you aware of the Activity described above and if so from when. How would you describe what goes on or what is there? What do you know of the use or development that exists and how do you know? Does it affect you in any way i.e. noise, traffic, views?	The garage 'conversion' started about 6 years ago, it has never been finished, no work has been done on it in the last 4 years. It appears to be used for storage of rubbish. P.T.O. It is an unsightly mess the condition it is in at the moment.

4.	Would you like to tell the Council anything else that you think the Council ought to be aware of at the Site?

As the garage is completely seperate from the main house, I'm not sure how it could be a living space as there ~~are~~ is no ~~area~~ kitchen or bathroom.
