Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	We understand that the request for change in time for removing the temporary Portakabins is from 09/09/2027 to 31/08/2028, namely a 1 year extension of the time limit. The affect of the erection of these Portakabins on our privacy, and the blocking of light into the adjacent quarter of our garden has exceeded even what we anticipated when we wrote in June to

object. We have yet to discover what the affect of students using the upper Portakabin classrooms will have.

We therefore strongly object to change the existing condition that limits the period of time for which the buildings can retain on site.

Kind regards
