Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	West End Lane is increasingly being used by walkers, cyclists and horse riders. It's a narrow lane which the increased traffic from this development would make it more dangerous for existing residents and these other users. The number of authorised gypsy/traveller sites already in Henfield Parish exceeds the number that been authorised in other villages in Horsham District.

Kind regards
