Reasons for comment:	<ul style="list-style-type: none">- Design- Overdevelopment- Trees and Landscaping
Comments:	New design of submission is wholly unsuitable. The layout has changed and now 3 storey block of flats are planned to be built in full sight of the road rather than the original more sympathetic approach with the aim of keeping the development in keeping with

its rural setting and less visible. This is a complete turnaround from the original plans that were submitted and upon which approval was granted.
