Reasons for comment:	<ul style="list-style-type: none"><li>- Design</li><li>- Highway Access and Parking</li><li>- Loss of General Amenity</li><li>- Other</li><li>- Overdevelopment</li><li>- Privacy Light and Noise</li><li>- Trees and Landscaping</li></ul>
Comments:	This is urbanisation in a rural area. West End lane is a narrow rural lane with no pavements or local transport system leading to an increase in traffic

Multi occupancy will lead to noise, and the use of a utility buildings means more lighting during the night in a dark sky area.  
Not an allocated gypsy/traveller site.  
The Agent response to the HDC Tree Officer uses remarks made by the Inspector regarding the site in Stonepit Lane. After permission was granted to the site in Stonepit Lane trees and shrubs were removed and the site levelled.  
Who will manage this site?
