Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	I am concerned about the potential impact an additional dwelling will have on the parking in the area, which is already at capacity. Also, an uninhabited business store area is not occupied all hours. Will having an additional dwelling situated amongst peoples gardens be a potential noise issue. Is it also right to convert what should be garden space into a dwelling in this already heavily populated part of town.

Kind regards
