Comments:	There is a business being operated on site which has increased traffic especially HGV traffic on this narrow private lane. There are also static caravans (visible from the public footpath). This is happening very near to two historic houses, Bylsborough and Little Bylsborough and this business is totally incongruous with its surroundings. Furthermore, the land owner seems to have ignored HDC enforcement notices over a period of many years. It is apparent that the land owner has bought a third site where they have erected fencing and hard standing. This is within Woodmancote Parish and the Council objects to any further extension of this unsuitable and intrusive business.

Kind regards
