Reasons for comment:

Comments:	<p>We moved to oaklands park around 3 years ago and are very pleased with that decision, (although the close proximity to our property of so many Oak trees is not ideal)</p> <p>██████████ we wanted to downsize from our large detached house in Kent to a more manageable single storey property.</p> <p>We could find none in Kent with either bricks and mortar or prefabricated.</p> <p>We therefore decided to forsake the convenience of having our family and shops close by, to live in a rural setting in Sussex on a residential park home owned by Mr Weinman.who is now putting forward proposals for further much needed properties for the retired and sem retired, as a change of use from his holiday park to a residential park. I fully support this proposal.</p>
