Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

- Design
- Loss of General Amenity
- Overdevelopment

Comments: This site has undergone multiple ownership changes. Despite repeated applications, planning permission has consistently been denied.
Whilst we recognise the need for traveller sites, this particular location is situated in a rural area and close to two listed buildings.

The risks of overdevelopment, negative impacts on the surrounding landscape, and the overall incompatibility of expansion in this rural setting reinforce our strong objection.

Kind regards
