| Reasons for comment: | <ul style="list-style-type: none">- Highway Access and Parking- Trees and Landscaping |
| Comments: | I feel this is an extremely dangerous location for this amount of housing to be built. The access to the development is from two roads which are not suitable for the amount of traffic this amount of housing will produce. The loss of wildlife I also don't think has been taking into consideration. There are two other very suitable areas in Warnham for development which are directly onto the A24. |

Kind regards
