### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	<p>It does not invest enough in improving the roads and flooding in the village.</p> <p>It does not address the need for communal spaces to enjoy. I cannot envisage courier drivers using these new junctions whilst we walk our dogs around the village, for example.</p> <p>There are huge issues with cars and vans already, we do not need anymore building without proper infrastructure.</p>

Kind regards
