Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Loss of General Amenity- Overdevelopment
Comments:	We are very concerned about access to the new development. Narrow road which will cause more traffic problems. Lack of infrastructure and loss of precious green belt. Affecting the wild life and environment. Plus flooding issues which has been a problem in warnham.

Kind regards
