### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	While I understand the importance of fair distribution of new housing schemes, the roads in and around Warnham are already far too busy when you take into consideration the lack of public parking. I do not consider that the access road into Knob Hill is suitable for amount of traffic this proposal would generate.

Kind regards
