Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I don't object to the conversion of Lock House itself, as it may be the only way to preserve the building. However I do object to the additional 7 dwellings adjacent to Lock House, which would put unwarranted pressure on the single track Lock Lane bridleway. The full application is not in keeping with this very rural situation.

Kind regards
