Comments:	I am writing to express my full support for the proposed development of Steyning Football Club and to encourage its approval. This project will be an invaluable addition to the local community, providing essential sporting education and opportunities for young athletes. By facilitating access to high-quality sports facilities, this initiative will help nurture young sportsmen and women, promoting health,

teamwork, and personal development. Additionally, it will create a positive and inclusive environment for individuals of all backgrounds to engage in physical activity, further strengthening community ties.

Beyond the social and educational benefits, this project has the potential to contribute positively to the local economy by attracting visitors, creating jobs, and enhancing the overall appeal of the area. It aligns well with the council's goals of promoting well-being, youth development, and community engagement.

I strongly believe that granting full planning approval for this project will have a lasting positive impact on the local community. I urge you to consider its many benefits and approve the application without delay.

Thank you for your time and consideration. Please do not hesitate to contact me should you require any further information.

Kind regards
