HORSHAM DISTRICT COUNCIL CONSULTATION

TO:	Horsham District Council – Planning Dept
LOCATION:	Snapes Cottage, Storrington Road, Thakeham
DESCRIPTION:	Replacement of lean-to and modern shed with linked single storey extension. External and internal alterations and repair works. Alterations to existing garage
REFERENCE:	DC-25 -0155
RECOMMENDATION:	No Objection

SUMMARY OF COMMENTS & RECOMMENDATION:

No significant arboricultural concerns

MAIN COMMENTS:

The extent of proposed alterations to the house and garage do not foreseeably involve requirements for use of key soft ground rooting areas of the adjacent prominent oak tree. Sufficient hardstanding exists to enable works to be undertaken without impact on future tree health.
