Comments:	Warnham is a stunning little village, known for the open landscapes and amazing habitats here. Ruining these would bring the whole place down. It's a cherished place and would be such a shame to see such an incredible bit of land be filled with unsightly dwellings. The village is mostly filled with nice old cottages and land that's been passed down for generations. It's a small place with lots of connections. We'd hate to lose such an amazing aspect of the village.

Kind regards
