Subject: RE: Planning Application Consultation - DC/24/1538

Categories: Consultations

Hi Stephanie,

Regarding water neutrality at DC/24/1538 Land to the south of Furners Lane, I notice in the water neutrality statement that it is linked to offsetting via a new borehole at an offsite dairy farm.

Do you or the applicant have address details for this offsite dairy farm? This will allow it to be accurately added to our registers and monitor to ensure it is not double-counted.
